### Portfolio profile

A global equity portfolio that aims to provide investors with long-term capital growth through active stock selection in global equity markets.

### Investor profile

The portfolio is suitable for investors seeking global exposure to developed financial markets as part of their overall investment strategy, with maximum capital appreciation as their primary goal. Investors should have a high tolerance for short-term market volatility in order to achieve long-term objectives.

The Sub-Fund is actively managed and is not managed in reference to any benchmark.
